

MVM Referral Partner Program

Introduce us to the right business. If they become a subscriber client, you get paid.

Simple rule: you only get paid when Mass Video Marketing gets paid. No raw-lead fees. No admin work. No client management.

How It Works

1. You introduce Mike to a contractor, advisor, expert, or business owner.
2. Mike handles the sales call and helps them choose the right system.
3. You get paid after the client subscribes and their payment clears. Months 1-3 pay monthly. The 25% reward repeats every 12 paid months.

Referral Rewards

Timing	Reward	When Paid
Month 1	10% of collected subscription revenue	After payment clears
Month 2	10% of collected subscription revenue	If client stays active
Month 3	10% of collected subscription revenue	If client stays active; monthly payouts stop here
Every 12 paid months	25% of one monthly payment	Each time client completes another 12 paid months

Example Payouts

Client	Months 1-3	12-Month Reward	First-Year Reward
\$1,500/mo	\$450	\$375	\$825
\$3,000/mo	\$900	\$750	\$1,650
\$4,500/mo	\$1,350	\$1,125	\$2,475
\$6,500/mo	\$1,950	\$1,625	\$3,575

Who Is A Good Referral?

- Contractors, remodelers, roofers, builders, and home-service companies with finished jobs worth showing.
- Financial advisors, wealth managers, accountants, consultants, and other expert-led businesses.
- Owners who need proof so buyers trust them before comparing price.

Rules

- **Rewards are based on collected subscription revenue only. Monthly 10% payouts stop after Month 3. The 25% reward repeats every 12 paid months.**
- No reward is owed for refunds, chargebacks, unpaid invoices, canceled payments, or one-off projects unless Mike approves it in writing.
- First documented introduction gets credit unless Mike decides otherwise. MVM can reject referrals based on fit, capacity, region, or client conflict.
